

Workshop

Digital Imaging for Cultural Heritage and its accessibility to all

Organizing Committee

A. ELMOATAZ (Université de Caen, Normandie)
Z. LAKHDARI (Laboratoire GREYC)
E. PISSALOUX (Université de Rouen, Normandie)
S. SCHÜPP (Université de Caen, Normandie)

Thursday, June 2, 2022
Caen, Normandy, FRANCE
UFR Sciences / University of Caen
Campus 2 / Science building 3

The objective of this workshop is to exchange ideas on an interdisciplinary approach to the museum of the future: inclusive museum where artworks are presented and accessed via new digital tools which creates an immersive multimodal museum experience for any visitor (visually impaired visitors included).

The workshop comprises academics from different departments social science and humanities (philosophy included), heritage and digital technology experts.

**Participation of Postdocs and
Ph. D Students is strongly encouraged.**
